- taken during the Final Event in Dubai.

4. Purposes of processing

We process personal data for the following purposes:

- Administering and operating the Competition
- Verifying eligibility and compliance with the Official Rules
- Evaluating Submissions
- Organising the Final Event
- Processing Prize payments
- Conducting KYC / AML and sanctions screening
- Ensuring security and integrity of the Platform
- Complying with legal and regulatory obligations
- Promoting the Competition and announcing winners
- Contacting participants regarding future competitions and related initiatives
- Sharing limited data with Competition sponsors for legitimate business collaboration purposes

5. Legal basis for processing

Depending on the jurisdiction, processing is based on:

- **Performance of a contract** (participation in the Competition)
- **Compliance with legal obligations** (AML, sanctions, tax reporting)
- **Legitimate interests** (competition administration, fraud prevention, promotion)
- **Consent** (where required under applicable law, including for marketing communications or optional publication of solutions)

Participants from the European Economic Area (EEA) or United Kingdom acknowledge that Article 6 GDPR legal bases apply as stated above.

6. International data transfers

The Competition operates globally.

Personal data may be transferred to and processed in:

- United Arab Emirates
- European Union
- United States
- Other jurisdictions where our infrastructure or service providers operate

We use a distributed cloud infrastructure (including AWS, GCP, or Azure).

Where required under GDPR or similar laws, we implement appropriate safeguards such as:

- Standard Contractual Clauses (SCCs)
- Contractual data processing agreements
- Security and confidentiality obligations

By participating, you acknowledge that your data may be transferred internationally.

7. Service providers and third parties

We may engage third-party processors, including:

- Cloud infrastructure providers (AWS / GCP / Azure)
- Analytics providers (e.g., Google Analytics)
- Communication platforms (e.g., Discord)
- KYC / identity verification providers
- Sponsors and partners (limited sharing where necessary)

All third-party processors are required to implement appropriate security and confidentiality measures.

We do not sell personal data.

8. Marketing communications

We may use your contact details to:

- Inform you about future competitions
- Share updates and related initiatives
- Provide partner announcements relevant to the Competition

Where required by law, you may opt out at any time via unsubscribe link or written request.

9. Data retention

We retain personal data only for as long as necessary to fulfil the purposes described above.

General retention principles:

- Competition account data: up to 3 years after conclusion
- Winner financial and KYC data: up to 7 years (for regulatory and tax compliance)
- Event media content: retained for promotional archive purposes
- Submissions and IP-related materials: retained as required under the Official Rules

After expiry of retention periods, data is deleted or anonymised where reasonably practicable.

10. Data subject rights

Depending on applicable law (UAE PDPL, GDPR, UK GDPR, etc.), you may have the right to:

- Access your personal data
- Request correction
- Request deletion
- Restrict processing

- Object to processing
- Withdraw consent (where processing is based on consent)
- Request data portability (where applicable)

Requests may be submitted to: info@agentic-challenge.ai

We may request identity verification before fulfilling a request.

11. Security measures

We implement appropriate technical and organisational measures to protect personal data, including:

- Encrypted data transmission
- Access controls
- Role-based data access
- Secure cloud storage
- Contractual confidentiality obligations

However, no system is completely secure, and transmission of data is at your own risk.

12. Publicity and event recordings

Finalists attending the Final Event acknowledge that:

- Photographs and videos may be recorded
- Such materials may be used for promotional and marketing purposes
- Publication may occur globally

Where required by applicable law, explicit consent will be obtained.

Participants may request removal of specific images where legally required, subject to legitimate interests of the Organiser.

13. Optional publication of solutions

We will not publish participant code or solutions without explicit consent, except as permitted under the Intellectual Property provisions of the Official Rules.

14. Automated decision-making

Evaluation of Submissions may involve automated scoring systems.

Final ranking decisions are subject to human oversight.

We do not conduct automated profiling producing legal or similarly significant effects beyond competition scoring.

15. Children's data

The Competition is not open to individuals under 18.

We do not knowingly collect data from minors.

16. Changes to this policy

We may update this Privacy Policy from time to time.

The updated version will be published on the Platform with a revised Effective Date.

Continued participation constitutes acknowledgment of the updated Policy.
